1. Board view — To Do, In Progress, Done columns with 7 FR/NFR issues

The screenshot displays a Jira Kanban board for the project **Kanban_BPS#57**. The board is organized into three columns: **To Do** (2 issues), **In Progress** (3 issues), and **Done** (2 issues). Each issue is represented by a card with a title, a checkbox, and an assignee icon.

To Do Column:

- NFR-001: Performance & Security - Pet search catalog must support multi-attribute filtering (Species, Age, Breed, Good with Kids) with page response under 200ms. Assignee: KBPS57-6.
- NFR-002: Security - System shall restrict access to animal medical-intake records and applicant background-check results to authenticated Shelter Staff accounts only. Assignee: KBPS57-7.

In Progress Column:

- FR-003: Applicant shall submit an adopter questionnaire linked to a specific animal listing. Assignee: KBPS57-3.
- FR-004: Staff shall review questionnaire, record background check results, approve/reject application. Assignee: KBPS57-4.
- FR-005: Staff shall schedule and track foster home placements (start date, duration, caregiver). Assignee: KBPS57-5.

Done Column:

- FR-001: Staff shall log animal vaccination/medical intake records, updating animal status to Ready for Adoption. Assignee: KBPS57-1.
- FR-002: Applicant shall search/filter pet catalog by species, age, breed, compatibility with kids/other pets. Assignee: KBPS57-2.

The board interface includes a top navigation bar with the Jira logo, a search bar, and a '+ Create' button. Below the navigation bar is a 'Spaces' section with the project name 'Kanban_BPS#57' and a list of views: Summary, Timeline, Board (selected), Calendar, List, Forms, Development, Docs, and a plus icon. A search bar and filters are also present.

6. Board view — final state showing To Do, In Progress, Done columns

The screenshot displays the Jira interface for a Kanban board. At the top, the Jira logo and a search bar are visible. Below the header, the space name "Kanban_BPS#57" is shown. The navigation bar includes tabs for Summary, Timeline, Board, Calendar, List, Forms, Development, Docs, and Backlog. The Backlog tab is currently selected. A search bar and a filter icon are located below the navigation bar. The main area shows the Backlog with 19 work items. A summary bar at the top of the backlog indicates 16 items in 'To Do' status, 3 in 'In Progress', and 0 in 'Done'. The work items are listed with their IDs, titles, assignees, and current statuses. The first three items are in 'In Progress' status, while the remaining 16 are in 'To Do' status.

7. Epic detail view with Details panel (Assignee, Priority, Reporter)

The screenshot displays the Jira interface for a Kanban board named 'Kanban_BPS#57'. The board is currently in the 'Backlog' view. The top navigation bar includes a search bar with 'trash' entered, a '+ Create' button, and a 'See plans' link. Below the board name, there are tabs for 'Summary', 'Timeline', 'Board', 'Calendar', 'List', 'Forms', 'Development', 'Docs', and 'Backlog'. A search bar for the backlog is also present. The backlog contains a list of tasks, each with a checkbox, a key, a description, a status, a priority, and an assignee. The tasks are as follows:

Key	Description	Status	Priority	Assignee
KBPS57-10	Story - FR-002: As an Applicant, I want to search/filter the pet catalog ...	To Do	Animal Shelter Ado...	
KBPS57-11	Story - FR-003: As an Applicant, I want to submit an adopter questionn...	To Do	Animal Shelter Ado...
