4. Backlog view continued — Stories, linked Tasks under Epic

The screenshot displays the Jira Backlog view for the 'Scrum_BPS#57' space. The interface is dark-themed and includes a top navigation bar with a search bar, a 'Create' button, and a 'See plans' button. Below the navigation bar, the 'Backlog' view is selected, showing a list of 14 items. The items are organized into two groups: stories and tasks. The stories are linked to the 'Animal Shelter Adoption System' project. The tasks are linked to the stories they implement. The interface includes a search bar, a filter button, and a 'Create' button at the bottom.

5. Sprint 1 Backlog — 7 initial FR/NFR items with Epic assigned

The screenshot displays the Jira web application interface. On the left is a dark sidebar with navigation options: 'For you', 'Recent', 'Starred', 'Apps', 'Plans', 'Spaces', and 'Recent' (repeated). Under 'Recent', 'Scrum_BPS#57' is selected. Below this are 'Recommended' items like 'Create a roadmap' and 'Filters'. At the bottom are 'Teams', 'Goals', 'Projects', and 'Customize sidebar'.

The main content area is titled 'Spaces' and shows 'Scrum_BPS#57'. It has tabs for 'Summary', 'Timeline', 'Board', 'Backlog' (active), 'Calendar', 'List', and 'Forms'. A search bar and a 'Filter' button are present. Below the tabs is a '+ Create' button. A status bar indicates '0 of 0 work items visible' and 'Estimate: 0 of 0'.

The 'Backlog' section is expanded, showing '7 work items'. At the top of this section is a 'Create sprint' button. Below it is a 'Create a whiteboard to plan your work' button with a 'Try' label. The backlog items are listed in a table:

Item	Description	Status	Assignee
☒ SCRPS57-1	FR-001: Staff shall log animal vaccination/...	To Do	[Avatar]
