The 'To Do' column has two bugs: 'BUG: Foster placement end date allows values earlier than start date, causing negative duration' (BUGBPS57-4) and 'BUG: Unauthenticated users can view animal medical-intake records via direct URL, bypassing Shelter Staff login restriction' (BUGBPS57-5). The 'In Progress' column has one bug: 'BUG: Staff can approve adoption application without completing background check step' (BUGBPS57-3). The 'In Review' column has two bugs: 'BUG: Pet catalog filter returns no results when 'Good with Kids' filter is combined with Species filter' (BUGBPS57-1) and 'BUG: Adopter questionnaire submission fails silently when animal listing is deleted mid-submission' (BUGBPS57-2). Each bug card includes a 'Create' button at the bottom. The top of the interface shows a search bar, a '+ Create' button, and a 'See plans' button.
